KnILE Prep Academy - Who We Are, What We Offer

KnILE Prep Academy is a 1st - 12th self-paced private school focused on helping students develop a firm foundation in learning strategies and techniques. This prepares a pathway to success in high school, in college, and then ultimately, in business and life.

At KnILE Prep Academy we offer a low stress environment for our students which makes the lives of our students and our parents much more enjoyable. We achieve this by offering;

- Low-to-no homework
- No STAAR testing
- Zero tolerance for bullying
- Relaxed classroom environment
- Low teacher-student ratios
- Curriculum that allows students to learn at their own pace

The KnILE Prep Academy program is offered under various schedules and environments. We customized our programs to meet the needs of our students.

- Full-time, part-time and home school schedules.
- KPA Collaborative - whether your student is an athlete, actor or entertainer with a challenging schedule, KnILE Prep Academy offers a customized educational solution that can be accessed from anywhere that there is an internet connection.

We believe that education is NOT one size fits all.
